The Great Lakes International Antique Fire Apparatus Association was founded as the outgrowth of meetings that began in the fall of 1972. The purposes of the organization, as stated in its constitution, are: “to promote and foster a spirit of friendliness and cooperation among its members and a better appreciation by the public, and its members of the history and development of fire-fighting equipment and apparatus; to preserve historic fire-fighting equipment; to display apparatus in parades, meets and musters; to institute and present fire prevention and educational displays and programs to aid each other in the rehabilitation of vintage fire equipment; to set up and maintain association meeting facilities; and to perform other activities in the public interest as the membership shall direct.

The organization has sponsored a number of “mini-musters” on antique fire apparatus in both the Detroit area and out of state Michigan. Through its newsletter, the association keeps its members informed of other activities of interest to antique fire apparatus fans. The major muster is held each year in different locations. A general business meeting for the election of new officers and board members is held each year. Membership meetings are held the third Sunday of the months except July. Meeting locations vary. Contact any member for meeting locations. GLIAFAA is the Great Lakes Chapter of the Society for the Preservation and Appreciation of Antique Motor Fire Apparatus in America, a non-profit organization that is headquartered in Syracuse, New York.

Membership in GLIAFAA is open to all upon application to the Board of Directors. The following classifications of membership are available:

Organizations: For fire departments or other groups interested in antique fire. This membership carries one vote for the entire group but permits all members of the group to participate in all GLIAFAA activities. Dues are \$25.00 per year, \$72.00 for 3 years.

Individual: Any person who owns vintage fire apparatus or is interested in the purposes for which the association was formed. This membership carries one vote per persons over eighteen years of age. Dues are \$15.00 per year, \$42.00 for 3 years.

Family: A family unit of two or more immediate members who own vintage fire apparatus or are interested in the purposes for which the association was formed. This membership carries two votes (spouses only) for entire unit but permits all members of the unit to participate in all GLIAFAA activities. Dues are \$20.00 per year, \$57.00 for 3 years.
